ICELAND 2023

OCTOBER 9-15, 2023

ITINERARY

October 9 – Depart the USA

Depart the USA on your flight to Reykjavik.

October 10 – Arrive in Iceland

Arrive in Iceland. Your local guide will await you at the airport and lead you to your private coach. Only 10 minutes away, we will make the first stop in Iceland, where we will visit the Viking World Museum. Here, you will have the opportunity to see the home of the Viking Ship Íslendingur (the Icelander). Built in 1996, Icelander is an exact replica of the famous Gokstad ship, a remarkable archaeological find of an almost completely intact Viking ship, excavated in Norway in 1882. This museum is also home to a portion of the Viking millennium exhibition produced by the Smithsonian Institution. Breakfast is served from 7 a.m. and is inspired by old Nordic traditions. After breakfast, explore the Viking Ship “The Icelander”, put on some Viking costumes, and take pictures! We will enjoy breakfast at the museum before we hop on the coach again. We will explore the Reykjanes Peninsula further. We will either explore Gunnhver, the bridge between continents, or drive past the new lava, to Krýsuvík and Kleifarvatn before heading to Reykjavík. Note that the check-in time is 2-4 p.m. If the group stays at the Plaza, the group will be taken to the nearest bus stop where the group will take their luggage to the hotel. For Miðgarður the group will be dropped off right at the hotel. If the rooms are not ready for check-in, the luggage will be stored. Luggage portage included. The rest of the day is free to explore on your own. Enjoy a 3-course welcome dinner close to your hotel. Overnight at Centerhotel Plaza or Centerhotel Miðgarður.

October 11 – Reykjavik Walking City Tour - Blue Lagoon - Northern Lights Hunt

Breakfast will be at your hotel. This tour takes you on foot around the heart of Reykjavik with an English-speaking Icelander. The main focus is the general history of Iceland and the evolution of Reykjavík as a town. You will learn about elves, Vikings, food, nightlife, music, economic aspects, and political affairs. Finally, there are fun facts about Iceland and the places you must see in Reykjavík. The tour is laid out in an informative and comic way, where there is also room for questions. Break for lunch on your own. Meet again at 1:30pm for departure to the Blue Lagoon. Imagine relaxing in a blend of sea water and geothermally heated water, which is rich in silica, minerals, and algae, surrounded by a lunar lava landscape. This is really good for your skin and a real treat for the mind, body, and soul. Plus, the iconic white silica mud face mask is free to all lagoon guests. Have a group dinner close to your hotel. After dinner, we will go on the hunt for the northern lights. The northern lights, or aurora borealis, are one of nature's greatest shows on Earth. It tops the bucket lists of travelers all over the globe. Join us on a thrilling hunt from Reykjavik to spot this ghostly glow-in-the-dark sky. You'll escape the city's artificial lights and drive into the deep darkness of the countryside. Our guides keep a close eye on weather conditions to find the perfect spot to admire the aurora borealis. Your encounter with these ephemeral lights will make for a magical night! Your guide will take free photos of you and the aurora for your travel album, so you'll always have a reminder of this dazzling moment! Note that the northern lights are a natural phenomenon and it is important that the group is aware of the fact that the weather conditions is something one cannot count on. Overnight at Centerhotel Plaza or Centerhotel Miðgarður.

October 12 – Three-day South Coast Highlights Tour

Breakfast will be at your hotel. This jewel of Iceland tour package will take you south before continuing to the east as you are whisked away for two days of amazing adventure sightseeing. You'll drive towards the slowly rising sun on the way to your first stop, the very unusual Seljalandsfoss waterfall. You can actually walk behind the gracefully falling cascade. It is well worth getting a little damp for such an exciting experience! The next highlight is another waterfall, Skógafoss, located at the foot of a very famous volcano, Eyjafjallajökull. On a clear day, you will also get a great view of another volcano mountain glacier, Mýrdalsjökull. As you continue on, you'll come to Reynisfjara, a black beach where some fantastic sights, such as the picturesque basalt column formations and the famous Reynisdrangar peaks, will greet you. You will drive through the charming small town of Vik on your way to your accommodation. Throughout the entire day, you can expect to see breathtaking landscapes consisting of vast lava fields, waterfalls, black sands, and glacier tongues. You will enjoy a relaxing evening, and if the conditions are right, you will hunt for those northern lights! The countryside close to Vatnajökull glacier, away from the city lights, is perfect for spotting this natural phenomenon. In Hvalsöllum, the group will explore the Lava Centre that will give an excellent insight into the volcanic geology in the area and in Iceland (included). Dinner and overnight at Glacier Lagoon Hotel.

OCTOBER 9-15, 2023

October 13 – Two-day South Coast Highlights Tour

Breakfast will be at your hotel. Today, you will really get to know the glacier, venturing into the sparkling, blue/white world of an ice cave with a qualified guide, and visiting the extraordinary glacier lagoon, Jökulsárlón. Getting up close and personal with the vast glacial tongue of the great Vatnajökull glacier does not get any better than this! The renowned Jökulsárlón Ice Lagoon, made famous by several blockbuster movies including Batman Begins and The Secret Life of Walter Mitty, to name just a couple, is a totally mind-blowing place. Splendid icebergs of amazing shapes, some incredibly large, have calved off the receding Breiðamerkurjökull glacier. They jostle one another in the huge lagoon before gliding on their surreal and stately journeys to the Atlantic ocean. Many of these natural ice sculptures are washed onto the nearby Diamond Beach, you will see them glittering like diamonds, as they rest on the dramatic coal blackness of the beach. Next, you go into the glacier with a qualified guide! Ice caves are fascinating. New caves are formed each winter by the melt/ freeze cycle of the glacier, they are always changing, both from year to year and within each winter. The journey into an ice cave will give photographers the most amazing opportunity to capture the shimmering blue light which passes through the glacial ice. Surprisingly deep shades of jewel blue will surround you, these tones are caused by ice compression, the way we perceive light and color, and the blueness can sometimes be intensified by algae. After visiting the ice cave, you will head in the west direction again. You will stop at Skaftafell Nature Reserve in Vatnajökull National Park, a green area in the midst of amazingly jagged mountains and glacier-topped peaks. The splendid scenery of Skaftafell is certain to be a highlight of your tour. Lunch is on your own en route - lunch box can be added at a cost. Dinner and overnight at Stracta or similar in Hella.

October 14 – Golden Circle – Reykjavík

Breakfast will be at your hotel. Highlights tour From Reykjavik, you will then drive off to the famous Golden Circle on a Super Jeep, which will be your ride of the day. This tour allows visitors to get in touch with some of Iceland's most famous and exciting natural phenomena. Your first stop for the day will be at Þingvellir National Park, 40 minutes east of the city. Þingvellir is one of Iceland's most historic sites as it was here that Iceland's first parliament, Alþingi, was founded in the year 930 AD. From Þingvellir, you will then head to the world-renowned geothermal area around Geysir Hot Springs, where you can witness gurgling, bubbling water burst up to 25 meters high. The area is covered in numerous hot springs, some active and others not. The area is smoke-filled and mysterious, but exciting at the same time. Strokkur is now the main number of the show as it bursts every 4 to 10 minutes. From Geysir, you will continue on to Gullfoss, "the Golden waterfall". Gullfoss is a great sight and a perfect photo spot with water rushing down three steps of lava layers exhibiting breathtaking power and grandeur. This is the final stop of the Golden Circle, but definitely not of the day. Next up, you kick the action into a higher gear and go for a 1-hour snowmobiling ride on Langjökull, Iceland's second largest glacier. The Super Jeep has no problem reaching the glacier camp on Langjökull and the views whilst getting there are amazing. Your snowmobile guides will welcome you and give a briefing and proper gear for the snowmobiling. Once you are all suited up, there is nothing left to do than to step onto your snowmobile and follow your guide on an hour glacier expedition. To explore a glacier is an enchanting experience on its own, but to do it on a snowmobile is something else! After the ride of a lifetime, you will join again at the glacier camp before jumping into the Super Jeep again and starting your scenic drive back to Reykjavík. Group dinner close to the hotel. You will keep an eye out for the northern lights on your way back to the city and will make a short stop if conditions allow for it. There will be a farewell dinner close to the hotel. Overnight at Centerhotel Plaza or Centerhotel Miðgarður.

October 15 – Departure without a Guide
